GitHub: github.com/sheyam-hosen
Location: Bangladesh

PROFESSIONAL SUMMARY

Aspiring Full-Stack Developer with a strong foundation in HTML, CSS, JavaScript, React, and TypeScript. Passionate about building modern, responsive, and user-friendly web applications through hands-on personal projects. Demonstrates a strong willingness to learn, improve problem-solving skills, and adapt to emerging technologies. Eager to gain practical industry experience, contribute to collaborative development teams, and grow into a professional Full-Stack Developer.

TECHNICAL SKILLS

- **Front End:** HTML5, CSS3, JavaScript (ES6+), React, TypeScript
- **Styling:** Responsive Design, Flexbox, CSS Grid
- **Tools:** Git, GitHub, VS Code, npm, Vite
- **Currently Learning:** Debugging, API integration, reusable React components

PROJECTS

Country Explorer — *React + TypeScript*

- Fetches country data from an API and displays country names and flags.
- Practiced React components, TypeScript types, promises and loading states.

Dev Stack Website — *Front-End Project*

- Website interface built with modern front-end tools and reusable components.
- Practiced navigation layout, styling, responsive design and project structure.

More projects: github.com/sheyam-hosen

EDUCATION

Class 10 — Ongoing
Bangladesh

STRENGTHS

Willingness to learn • Attention to detail • Persistence in troubleshooting • Team communication

CAREER OBJECTIVE

Seeking an internship or entry-level opportunity where I can apply my front-end skills, learn from experienced developers, and grow towards full-stack development while helping build useful, accessible web experiences.
